Romeo's POV

Me, Raheem and the mandem left Shaynes house not after taking his and Samaya's body with us. Samaya aint dead she was just unconcious so we dropped her off at the hospital, I wanted her dead but Raheem kept holding back.

Me: I still think we should've killed her

Raheem: Nar trust me thats deep, so where we dumping Shaynes body.

Me: were not dumping him anywhere were going to burn his corpse, get rid of him fully. No trace

Raheem: Ok

Raheem didn't look so sure about everything and I was starting to suspect him, but I'll leave that for later. This guys been moving moist and snakey. And you know what they say 'People change' and i don't trust anyone.

Raheem: So where exactly are you going to throw his ashes

Me: KMT whats up with all these questions man kmt just shutup

Raheem: I just wanna know everything init

Me; Ok were going Bridgeway

This guy is moving snakey and God forgive me if i commit another murder. As soon as I told him where we were going this guy started texting and 2mins later his phone rang

Raheem: Yeah...

.....

Raheem; Bridgeway

.....

Raheem: Kool

Me; ARE YOU FUCKING DUMB !! WHO THE HELL YOU TALKING TO

Raheem: Calm dowm man my dad

Me: Gimme ur phone

Raheem: Allow that fam, dont u trust me ?

Me: Nar fam I don't so u either give me everything you have on u or....

I took out my mac10 and placed it on his forehead. He then handed me everything and the rest of the ride went silent.

We then got to our destination, not bridgeway ofcourse, after that bookiness i changed my plans. Everyone came out the car. Got the body out and the mandem lit it up.

Raheem: I thought u said bridgeway

Me: Does it make a difference

Raheem: kmt

I just stood there and watched feeling nothing. Raheem stood beside me looking so upset and hurt I can't believe this BULLSHIT, this aint the guy I grew up with. Something was wrong and I knew it. He doesn't even talk to his dad. I'm just going to let this one slide hmmmmm

Raheems POV

I can't believe im doing this, I love Romeo he is like a brother to me but lifes hard right now and sometimes we have to hurt the ones we love. Should I just tell him, he might help. Naaaar dis is romeo he'll just make things worse.

I got home, and as I was about to get into bed my phone started ringing

(8) Rack city bitch. Rack city Bitch (8)

Shit its him aaaaarg

Me: Yeah

Lewis: Where the fuck were you !! I thought you said Bridegway. Do you want to go back to fucking prison

Me: No, I know i just need time. He is suspecting things. He knows somethings up I just need to gain his trust again

Lewis: Well you better do it fucking quick

And he locked off on me. I just chucked my iPhone to the side and lay down thinking.....

Romeos POV

I got to the front door, took out my key and stepped in. I've actually missed living here, I walked into the living room and Dad sat there with that prick I call uncle. All eyes turnt to me.

Dad: Son ur bak

He got up and spudded me then gave me a short hug

Gabriel: What the fuck !! after he left ur here playing dad to the bastard

Is this guy fucking stupid

Me: Are u stupid, me bastard iight kool

Dad: Gabriel what the fuck is wrong with u, Romeo told me his plan and by him being here shows that he's killed Shayne. Just fucking sit down

Gabriel: Dont talk to me like that and why didnt anybody tell me about this plan

Me: Coz u were too busy fucking ur daughter

All eyes turnt to m, Gabriel couldnt even say anything. I think it finally hit him

Dad: What don't I know

Me: Well Gabriels been fucking Samaya and she's that Kerry yats daughter. She's pregnant aswell with YOUR FUCKING CHILD. shes in the hospital now after i fucked her up, hopefully she dies and yh Shaynes dead I burnt him alive.

Gabriel then ran towards me and gave me one painful blow.

Me: You fucking stupid

At this point I realised I have no family. I have nothing to lose soI took out my strap

Dad: Aaaay Romeo put it down man what you doing. Hes ur uncle remember

Me: He aint my Uncle I have no family. Both my parents are dead. You only took care of me coz u felt like u had too. If Mum didn't leave you in my arms you probably would've had it easy init.

Dad: Nar Romeo listen, I loved ur mum yeah, when she was alive I told her I will be happy to be in you're life. You don't know anything. Even if u were in my arms i could've fucking left you. I sacraficed a lot for u, so don't ever try say I dont give a fuk

I was just speechless I didnt know whether to shoot Gabriel and walk out or to shoot them both and walk out.....

I put the gun back in my trousers and left. No one chased after me no one. Dad left me to walk out. I then knew I was all alone and I needed to start fresh. But how ?? Where will i go ?? I looked up in the sky

Me: Mum everything I'm doing is for you. I love you. Please keep me safe.

My journey alone had just begun. And my story has just changed.....

ALRIGHT GUYS THIS IS JUST THE INTRODUCTION OF A NEW STORY I'M GOING TO WRITE IN A COUPLE HOURS. BASED ON ROMEO'S NEW LIFE. AINT GOING TO SAY ANYMORE
